Past Performance

2710 EASTVIEW DR., JOLIET, IL 60432 | CAGE CODE: 7WEE9 | D&B: 080669650

Founder and business owners Cheryl Wellman and Holly Barajas are well-known in the industry for making strides in tough situations. Their business savvy, customer service, fair-ethical practices, plus the family-like environment exemplifies the energy found throughout the plant and client experience. Quality-service is at the core of their operation, reflected by customer testimonials, and demonstrated through their unique project management offering.

Testimonials

“We’ve been dealing with Integrity Manufacturing for years and plan to for years to come. Their attention to detail and on time delivery has made them one of our very best vendors. I would strongly recommend them to anyone.”

Dennis Losee
All-State Industries, Inc.

“Integrity Manufacturing has been strong supplier for Holland, L.P. for many years. Their dedication to customer service and high standard of work quality has earned themselves a very good reputation. We have no doubt that our partnership with their team will continue for years to come.”

Alex Montville
Holland LP
